<td>Advanced Placement Digital Library for Biology, Physics and Chemistry</td>
<td>Advanced Placement* (AP) teachers and students will find resources linked to the AP content outlines, published by the College Board, in biology, physics, and chemistry. APDL only hosts those resources that are reviewed and approved by the APDL review panel. Resources are selected based on their educational merit in an AP or Pre-AP classroom. APDL welcomes your input to make this site more usable for AP teachers and students.</td>
