## SPEAK UP 100 SCHOOLS—2006

This annual recognition program highlights schools that are effectively incorporating Speak Up data into their local decision-making. Each year, finalists are selected based on total student participation, length of time involved with Speak Up, and use of data in local decision making. Speak Up 100 schools:

- Receive national recognition through our website and presentations.
- Join a national network of educators who use student voice to include local decisions.
- Share their success in their local community.
