

National Release of Speak Up 2014 Findings
2015 Congressional Briefing:
*Digital Teaching 2.0 – Activating Technology-Enhanced
Learning in America's Classrooms*

Speak Up Goes to Washington DC

Monday, September 21, 2015

Location: TBA

12:00PM-1:30PM

Please join us for the release of the Speak Up 2014 National Findings from Teachers, Administrators, and Parents. This is the second of two Congressional Briefings on the data results from the **521,000** online Speak Up surveys submitted from education stakeholders nationwide in fall 2014.

The fall briefing will include a presentation of the national findings and a moderated panel discussion with leaders in the education field. This year's national report, "*Digital Teaching 2.0 – Activating Technology-Enhanced Learning in America's Classrooms*" will be distributed to all attendees.

Will you be in Washington D.C. on September 21st?
