Step 2: Locate your school/district data. If you have not already
downloaded your Speak Up 2017 data, visit
http://www.tomorrow.org/speakup/speakup_your_data.html.

Step 3: Compare your data from the following survey
questions to the data in the infographic:

Principals Homework Gap Concern

School Administrator Q6 (add a comparison if you have one from
earlier years of Speak Up participation)

Grades 6-12 Homework Gap

6-8 and 9-12 Students Q24 (combine and average)

Teachers Concern

Teachers Q16

Homework Gap Students

To determine where "homework gap" students have gone to do
their homework, you need a disaggregated data report. To order
that report for your district, please contact us at
speakup@tomorrow.org. Alternatively, share findings for ALL your
students as to where they have gone online to do homework (Q25).

How Schools & Districts Are Addressing the Homework Gap

District Administrators Q14 - Note there are more options than
those shown on the national infographic.
